

CALL FOR PAPERS

12th DIGITAL ECONOMICS CONFERENCE

On this occasion, the new TSE Digital Center will be inaugurated

Toulouse, January 10-11 2019

THE OBJECTIVE OF THE CONFERENCE, organized by the TSE Digital Center at the Toulouse School of Economics, is to discuss recent contributions to the understanding of the digital economy and its consequences for modern societies. Keeping the spirit of previous years, the conference will feature theoretical, econometric, experimental and policy-oriented contributions.

We welcome submissions from scholars working in law, political science, psychology and sociology as well as economics.

For further information, contact the conference secretary at softint@tse-fr.eu

KEYNOTE SPEAKERS: Joel Waldfogel (University of Minnesota) and Tommaso Valletti (DG Competition and Imperial College)
