

CALL FOR PAPERS 13th DIGITAL ECONOMICS CONFERENCE

Date and location:

Toulouse, Toulouse School of Economics (TSE), January 9-10, 2020

Background and objective:

The objective of the conference, organized by the TSE Digital Center at the Toulouse School of Economics, with the help of the CEPR, is to discuss recent contributions to the understanding of the digital economy and its consequences for modern societies.

Keeping the spirit of previous years, the conference will feature contributions in economics, theoretical, econometric, experimental and policy oriented, as well as contributions from other social sciences and computer and data science.

Keynote speakers:

Erik Brynjolfsson (MIT Sloan School) and Judith Chevalier (Yale University)

Organizing committee:

Alexandre de Cornière, Jacques Crémer, Daniel Ershov and Paul Seabright.

Submission:

To pre-register and submit your abstract, [please click here](#).

Papers should be received by **October 6, 2019** (abstracts will be considered, but papers are more likely to be accepted). Decisions will be notified by **October 21, 2019**.

We will cover travel (on the basis of an economy class fare), accommodation and local expenses for speakers and discussants.
