

CALL FOR PAPERS

TOULOUSE, JUNE 18-19, 2019

The objective of the conference, organized by the TSE Energy and Climate Center at Toulouse School of Economics, is to discuss recent scientific contributions to the understanding of energy markets and the design of environmental and climate policies. Keeping the spirit of previous years, the conference will feature theoretical, empirical, experimental and policy-oriented contributions. All papers related to the economics of energy and/or climate change are welcome.

PROSPECTIVE PARTICIPANTS:

You are invited to pre-register and/or submit papers by sending an email to Ms. Christelle Fauchie at eleconf@tse-fr.eu

The deadline for submission is **January 15, 2019** (abstracts will be considered, but papers are more likely to be accepted). The program and list of presenters will be confirmed and notification will be made to presenters by **February 28, 2019**. Complete drafts of accepted papers are due **May 15, 2019**.

REGISTRATION FEE:

▶ **250€** (*includes lunches, conference dinner and coffee breaks*). Waived for speakers and discussants. Ticket fares are reimbursed to speakers on a negotiated basis and their hotel room paid directly by the conference organizing committee (*this does not apply to co-authors*). Please indicate on your reply form whether you will be able to cover your own travel costs, or whether you will require funding.

Pre-registration:

Individual wishing to participate in the Conference even without submitting a paper are asked to express their interest in attending by completing and returning the attached "**Pre-registration form**". Further information on the conference (accommodation, conference venue, maps) will be posted on our website.

On-line registration for conference attendance will be available from **March 30 to June 7, 2019**. Pre-registrants will be asked to confirm their registration at that time.

We hope you will be able to join us for an intellectually stimulating conference, with potentially significant academic, strategic, and policy outcomes.
