L'enquête

INVESTORS RELATIONS AND ESG INTEGRATION

THE OBJECTIVE of this research is to examine the integration of environmental, social and governance (ESG) factors by Investors Relations departments. We have developed a short survey that investigates the issues, goals and outcomes of ESG integration, and how these have changed in recent years.

TIME: The survey is designed to take less than 10 minutes of your time.

ANONYMITY AND CONFIDENTIALITY: This survey is strictly anonymous. Answers will not be cross-referenced with names or emails, and all entries will be treated as pooled-data.
