

Conference in honor of
Christine Thomas-Agnan
Toulouse, July 4-5, 2022

Venue:

Toulouse School of Economics
1, Esplanade de l'Université
31080 Toulouse Cedex 06

Auditorium 3 (ground floor)

Catering and coffee breaks: cafeteria (ground floor)

Gala dinner: Monday, July 4th, 20:00 – 24:00

Conference in honor of Christine Thomas-Agnan

Toulouse, July 4-5, 2022

Preliminary program

Monday, July 4th, 2022

10:00 – 10:45	Welcome, registration and coffee break
10:45 – 11:00	<i>Opening speech</i>
11:00 – 11:45	Raja Chakir (INRAE, AgroParisTech): “Spatial Autocorrelation in Econometric Land Use Models”
11:45 – 12:30	Florent Bonneu (University of Avignon): “Global scan methods for comparing two spatial point processes”
12:30 – 14:00	Lunch
14:00 – 14:45	Éric Gautier (TSE-R): “Relaxing Monotonicity in Endogenous Selection Models and Application to Surveys”
14:45 – 15:30	<i>Surprise tributes</i>
15:30 – 16:00	Coffee break
16:00 – 16:45	Irène Gijbels (Catholic University of Louvain): “Expectile regression and local polynomial fitting”
16:45 – 17:30	Davy Paindaveine (Free University of Brussels): “Affine-equivariant multivariate location estimation under L_p loss functions”
17:30 – 18:00	<i>Surprise tributes</i>
20:00 – 24:00	Gala dinner

All lectures include 10 min of Q&A.

Conference in honor of Christine Thomas-Agnan

Toulouse, July 4-5, 2022

Preliminary program

Tuesday, July 5th, 2022

8:30 – 9:00	Welcome & registration
9:00 – 9:45	Gilbert Saporta (CNAM, Paris): “Some spatial regression models for functional and compositional data”
9:45 – 10:30	Vera Pawlowsky-Glahn (University of Girona): “Compositional Analysis of Exchange Rates”
10:30 – 10:45	<i>Surprise tributes</i>
10:45 – 11:15	Coffee break
11:15 – 12:00	Martin Fernandez Josep Antoni (University of Girona): “Logcontrast and Orthonormal Logratio Coordinates for Compositional Data with a Total”
12:00 – 12:45	Michel Simioni (INRAE, Montpellier): “Climate change and rice yield: compositional Scalar-on-function regression approach”
14:45 – 15:30	<i>Surprise tributes</i>
12:45 – 14:15	Lunch
14:15 – 14:45	Thibault Laurent (TSE-R): “An Evaluation of the Joint Congressional Resolution Providing for Admission of Texas to the Union in 1845: Would Texas Citizens benefit from a Division of Texas into Five States?”
14:45 – 15:30	<i>Surprise tributes</i>
15:30 – 16:00	<i>Closing speech</i>

All lectures include 10 min of Q&A.
