						Updated on June 27

CM: "Cours Magistral" means **Lecture**

TD: "Travaux Dirigés" means **Tutorials**

TP: "Travaux Pratiques" means **Practical Tutorials**

All these courses are taught in French, and the final written exams will be in French too.

**\*Tutorials:**

Please note that you are just allowed to take the **TDs taught in French, not in English**

#### **Tutorial attendance (compulsory)**

Any absence must be justified to the teaching assistant during the TD course right after your absence (medical certificate, other documents to justify the absence)

3 unjustified absences to tutorials means: you will obtain a tutorial grade equal to zero even if you were present at the mid-term exams

#### **Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French):**

**Attendance to these mid-term exams is compulsory.**

However, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade.

You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade.

In most cases the final grade represents: 50% of the tutorial grades and 50% of the final written exam

#### **First Semester: Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)**

Economie générale: 2 Mid-term exams

Introduction à la Gestion: 2 Mid-term exams

Mathématiques pour l'économie et la gestion 1: 2 Mid-term exams

At the beginning of the course in September, you will have 3 pre-tutorial classes in Mathematics, a test in September (evaluation of your level).

#### **Second Semester: Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)**

Microéconomie de la production: 2 Mid-term exams

Macroéconomie générale 1: 2 Mid-term exams

Mathématiques pour l'économie et la gestion 2: 2 Mid-term exams

Statistique Descriptive pour l'économie et la gestion: 1 Mid-term exam

# LICENCE 1ère année mention ECONOMIE

						Updated on June 25

CM: "Cours Magistral" means **Lecture**

TD: "Travaux Dirigés" means **Tutorials**

All these courses are taught in French, and the final written exams will be in French too

\*Tutorials (TDs) in Microéconomie du consommateur, Macroéconomie générale 2, Microéconomie du marché, Macroéconomie générale 3:

Please note that you are just allowed to take the **TDs taught in French, not in English**

\*\*Electives courses: you can only choose one course between these 2 (First semester).

#### Tutorial attendance (compulsory)

Any absence must be justified to the teaching assistant during the TD course right after your absence (medical certificate, other documents to justify the absence)

3 unjustified absences to tutorials: the tutorial grade is equal to zero, even if you were present at the mid-term exam

**Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French): Attendance to these mid-term exams is compulsory.**

However, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade  
You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade

In most cases the final grade represents: 40% of the tutorial grades and 60% of the final written exam  
or 50% of the tutorial grades and 50% of the final written exam (depending on the course)

#### First Semester: Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)

Microéconomie du consommateur: 2 Mid-term exams

Macroéconomie générale 2: 2 Mid-term exams

Mathématiques pour l'économie et la gestion 3: 2 Mid-term exams

Probabilités pour l'économie et la gestion: 1 Mid-term exam

**The attendance to these mid-term exams is compulsory.**

But, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade:

only for Microéconomie du consommateur, Macroéconomie générale 2, Mathématiques pour l'éco et la gestion 3,

Probabilités pour l'éco et la gestion, Mathématiques pour l'éco et la gestion 4

You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade

#### Second Semester: Mid-term exams and organization in "small groups"

**Microéconomie du marché:** the course is taught in "small groups". There are 2 mid-term exams during the semester, no final exam  
Attendance is compulsory.

If you have missed one of these 2 mid-term exams: a retake exam will be possible only if you can justify your absence

Final grade: average of the 2 mid-term exams + grade for course participation

**Macroéconomie générale 3 :** the course is taught in small groups. There are 2 mid-term exams during the semester, no final exam  
Attendance is compulsory.

If you have missed one of these 2 mid-term exams: a retake exam will be possible only if you can justify your absence

Final grade: average of the 2 mid-term exams + grade for course participation

**Mathématiques pour l'économie et la gestion 4:** 2 Mid-term exams

**Statistiques Inférentielles pour l'économie et la gestion:** 1 Mid-term exam

**Base de données:** 1 or 2 Mid-term exams

Economie du climat* (only one of these elective courses)	ELUEA604 ELUEA604	5	30	0	French/English	Mrs Durrmeyer/Mr Trech

Course frozen in 25-26

CM: "Cours Magistral" means **Lecture**

TD: "Travaux Dirigés" means **Tutorials**

TP: "Travaux Pratiques" means **Practical Tutorials**

Courses taught in French: final written exams will be in French too.

### Semester 1 and Semester 2

S1 and S2 \* Analyse des données et tests statistiques, Comportements stratégiques et application à l'économie, Economie Internationale, Economie publique, ~~Topics in Modern Economics~~ and Economie du climat: elective courses. You can only choose one between these 3 courses (S1) or between these 2 courses (S2). These courses are taught in French except Economie du Climat.

### Tutorial attendance (compulsory)

Any absence must be justified to the teaching assistant during the TD course right after your absence

(medical certificate, other documents to justify the absence)

3 unjustified absences to tutorials means: you will obtain a tutorial grade equal to zero

### Mid-term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French):

**Attendance to these mid-term exams is compulsory.**

However, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade.

You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade.

### First Semester: Mid term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)

Microéconomie 5: 1 Mid-term exam

Topics in Macro 1: 1 Mid-term exam

Mathématiques: 1 Mid-term exam

Analyse de données et tests statistiques: the mid-term exam is a project

Probabilités Statistique: 1 Mid-term exam

### Second Semester: Mid term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)

Economie Industrielle: 1 Mid-term exam

Topics in Macro 2: 1 Mid-term exam

Introductory Econometrics : Midterm exam + project

\*Elective courses

CM: "Cours Magistral" means **Lecture** TD: "Travaux Dirigés" means **Tutorials**

TP: "Travaux Pratiques" means **Practical Tutorials**

**Be careful, some pairs of electives aren't compatible.**

## Tutorial attendance (compulsory)

### Semester 1: R Programing overlaps with Introduction to convex optimization for machine learning (M1 Econometrics and statistics)

For this course, there is just a project during the semestre. No final exam, only the project grade. No access to the resit exam session in June

### Semester 2: Advanced micro, Behavioral and experimental economics, Topics in food economics, Environmental and resource economics

For these courses, there are just a project during the semestre. No final exam only the project grade. No access to the resit exam session in June

**3 unjustified absences to tutorials means: you will obtain a tutorial grade equal to zero**

**Mid term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)**

**Attendance to these mi-term exams is compulsory.**

All absences must be justified, just after the exam period.

However, if you are absent for the mid-term exam and have justified your absence, then your final grade will be based 100 % on the final exam.

If you do not justify your absence for the mid-term exams, you will receive a grade of zero.

In most cases the final grade represents: 40% of the tutorial grades and 60% of the final written exam

# Masters 1 Data Science for Social Sciences

## Master 1 Applied mathematics and statistics

### Courses open to the exchange students 2025-2026

#### Master 1 Econometrics and statistics International: Data science for social science Track

	Course code	Credits ECTS	Number of hours: Lectures (CM)	Number of hours: Tutorials (TD)	Language of teaching	Professor
