CM: "Cours Magistral" means **Lecture**

TD: "Travaux Dirigés" means **Tutorials**

TP: "Travaux Pratiques" means **Practical Tutorials**

All these courses are taught in French, and the final written exams will be in French too.

\*Tutorials (TDs) in Microéconomie 1, Macroéconomie 1, Microéconomie 2, Macroéconomie 2:  
Please note that you are just allowed to take the **TDs taught in French, not in English**

#### **Tutorial attendance (compulsory)**

Any absence must be justified to the teaching assistant (medical certificate, other documents to justify the absence)  
3 unjustified absences to tutorials means: you will obtain a tutorial grade equal to zero  
even if you were present at the mid-term exams

#### **Mid term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French):**

**Attendance to these mi-term exams is compulsory.**

However, if you miss one or all of these mid-term exams, then, the final exam will represent 100 % of the final grade.  
You won't have to justify your absence to the mid-term exams but you will only have one grade: the final exam grade.  
In most cases the final grade represents: 40% of the tutorial grades and 60% of the final written exam

#### **First Semester: Mid term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)**

Microéconomie 1: 2 Mid-term exams

Macroéconomie 1: 2 Mid-term exams

Introduction à la gestion: 2 Mid-term exams

Mathématiques 1: 3 Mid-term exams.

At the beginning of the course in September, you will have 3 pre-tutorial classes in Mathematics, a test in September (evaluation of your level), and a last pre-tutorial class (to have the test result).

#### **Second Semester: Mid term exams to obtain a tutorial grade (CC: "Contrôle Continu" in French)**

Microéconomie 2: 2 Mid-term exams

Macroéconomie 2: 2 Mid-term exams

Mathématiques 2: 2 Mid-term exams
