For more information regarding the Eiffel scholarship, please see the Campus France website: <https://www.campusfrance.org/en/eiffel-scholarship-program-of-excellence>

Please note that there are 3 possible results for your application:

Computing tips for your application

Warning: the documents uploaded on eCandidatures must contain a single file in PDF format (or JPEG/PNG for an image) and **should not exceed the allocated size of 2 MB**.

1) Merge documents

Merge multiple documents into PDF format. You can use the free website PDF merge (<https://www.pdfmerge.com/>) to merge your documents.

2) Compress documents

Compress multiple documents into PDF format. You can use the free website I love PDF (https://www.ilovepdf.com/compress_pdf) to compress your documents and reduce their size (2 MB maximum).

3) "Application blocked by another user" message

This message means that you have opened eCandidatures on several pages or different browsers. Please close everything and reopen only one page.

4) Problems with account activation

Depending on your browser or e-mail provider, the link you receive in the automated eCandidatures e-mail to activate your account may not work and lead you to a "Erreur à la validation du compte" message.
