### **Teaching staff contacts – Coordonnées de l'équipe pédagogique :**

Yassine Lefouili – Office T.561.

Please send an email to [yassine.lefouili@tse-fr.eu](mailto:yassine.lefouili@tse-fr.eu) to set up an appointment.

### **Course Objectives – Objectifs du cours :**

This course has three parts. The first part will deal with the law and economics of privacy and will focus on the economic value and consequences of protecting and disclosing personal information and the associated trade-offs. Students will also study recent papers about the economic effects of the General Data Protection Regulation (GDPR). The second part of the course will be about transfer pricing. Students will be taught the most widely used transfer pricing methods and will work on case studies. The third part of the course will be about the economics of platform liability and the recent policy developments regarding this issue, with a special focus on the EU Digital Services Act.

### **Prerequisites - Pré requis :**

M1-level microeconomics and industrial organization.

### **Grading system - Modalités d'évaluation :**

Information about the grading system will be given in the first session.

### **Bibliography/references - Bibliographie/références :**

Required readings will be specified in class.

**Distance learning – Enseignement à distance :**

Distance learning will be implemented if needed and will involve a mix of interactive virtual classrooms and online assignments.
