THE EHBEA ETHOS

Our conference is dedicated to providing a harassment-free conference experience for everyone, regardless of gender, gender identity and expression, age, sexual orientation, disability, physical appearance, ethnicity, religion, status or technology choices. We encourage lively and spirited communication and debate, in an inclusive and welcoming atmosphere, throughout all sessions and social events associated with the conference.

If you encounter any problems in this matter, please contact a member of the program committee.

If you experience any issues with respect to harassment, discrimination or other misconduct, please consult a counselor: *direct.hcg@tse-fr.eu*
Your message will be treated anonymously.

TUESDAY, APRIL 23

Welcome reception

7.00 pm - 9.00 pm | Hall des Pas Perdus, Arsenal building

WEDNESDAY, APRIL 24

Meet the Experts (for graduate students)

7:30 pm - 9:30 pm | Hall des Pas Perdus, Arsenal building

Graduate students will be given the opportunity to discuss and exchange with researchers on their careers and science.

THURSDAY, APRIL 25

Launch event - Evolutionary Human Sciences Journal - Meet the Editors

7:30 pm - 8.45 pm | Hall des Pas Perdus, Arsenal building

Evolutionary Human Sciences is a fully Open Access journal that supports a unified approach to evolutionary human sciences. We are concerned with understanding how evolution has shaped humankind, from biology through to culture.

The journal aims to attract papers in the fields of evolutionary anthropology, cultural evolution, human biology, evolutionary medicine, anthropological genetics, phylogenetics, paleoanthropology and evolutionary approaches to psychology, cognition, language, economics, archaeology, primatology, politics and anything else that can be considered to be part of the evolutionary human sciences.

Evolutionary Human Sciences publishes interdisciplinary original research, including registered reports, and reviews.

FRIDAY, APRIL 26

Conference Dinner

7:00 pm - 11:00 pm | EDF Bazacle

Situated in the center of the city along the Garonne, the EDF Bazacle Complex offers to the EHBEA participants diverse experiences: a museum itinerary, a large terrace overhanging the Garonne, temporary exhibitions (some with the support of the EDF Foundation), a photo gallery, a fish pass. Dinner guests are welcome to explore the museum during the event.

We would like to thank our partner EDF for hosting our conference dinner.

Address:

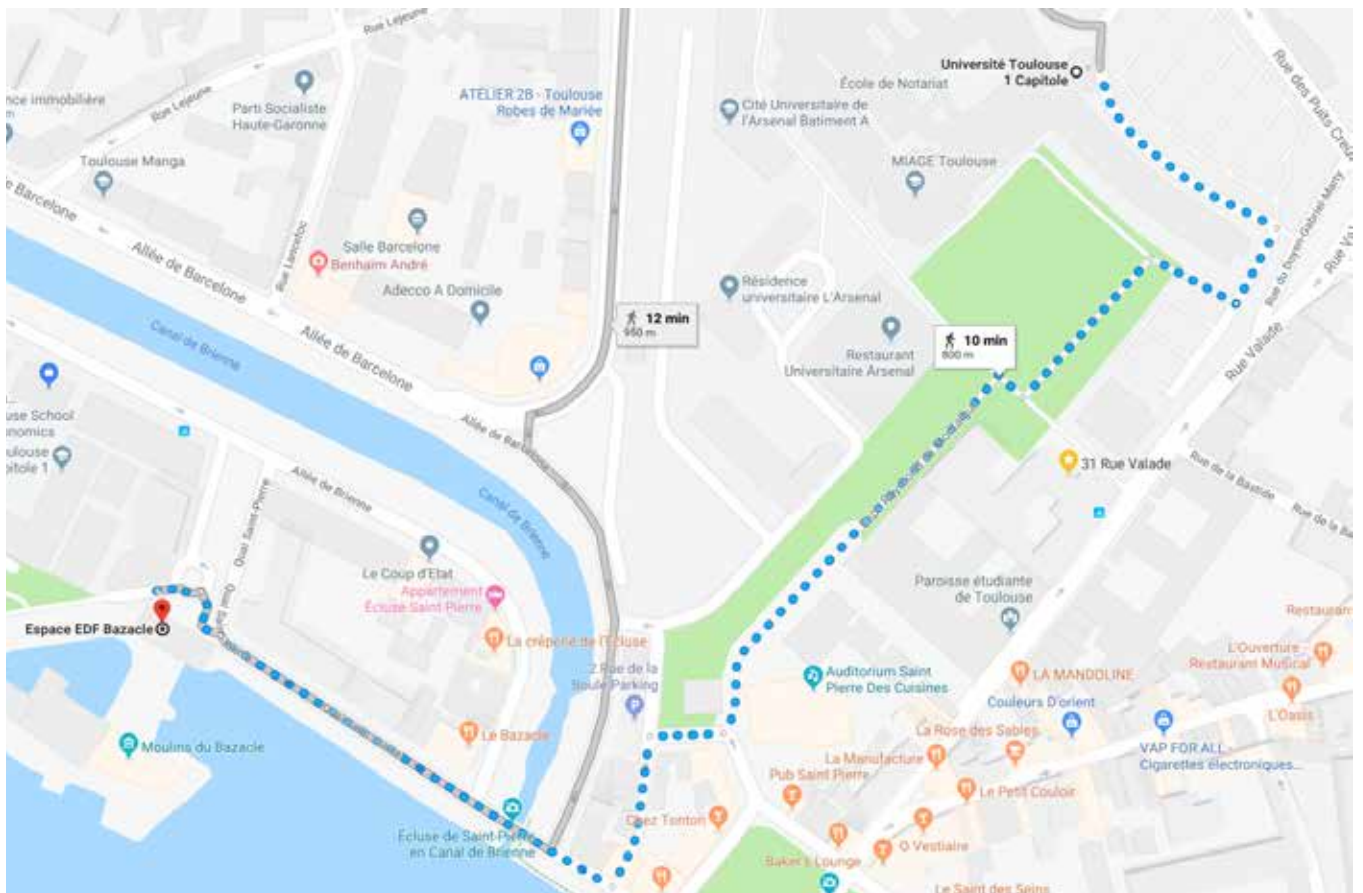

EDF Bazacle

11, quai Saint-Pierre, 31000 Toulouse

Access:

from the conference venue, 10 minutes on foot, 4 minutes by bike, by bus take line number 1 and stop at Barcelone-Leclerc.

european human behaviour
and evolution association

The European Human Behaviour and Evolution Association (EHBEA) is an interdisciplinary society that supports the activities of European researchers with an interest in evolutionary accounts of human cognition, behaviour and society.

EHBEA organises annual European conferences and occasional workshops, and provides research funding. EHBEA aims to support work with a broad, pluralistic and interdisciplinary perspective. EHBEA encourages rigorous science, with strong theoretical foundations and integration across disciplines.

THE 15TH ANNUAL EHBEA
CONFERENCE WILL BE HOSTED
BY JAGIELLONIAN UNIVERSITY

KRAKOW, POLAND
APRIL 1-4, 2020

OUR RESEARCH CENTER IN TOULOUSE

IAST is proud to co-host the 14th Conference of the European Human Behaviour and Evolution Association in Toulouse.

The Institute for Advanced Study in Toulouse was created in 2011 by Nobel laureate Jean Tirole. Fostering interdisciplinary research across the social sciences, the institute aims to understand fundamental determinants of human behavior. The community gathers anthropologists, biologists, historians, law professors, mathematicians, philosophers, political scientists, psychologists and sociologists, all working closely with faculty from its sister institution Toulouse School of Economics.
